

IPC/JEDEC 033 & 020 MSD Handling Compliant Dry Cabinet 1106 Series

Our most popular dry cabinet...An IPC/JEDEC 033 & 020 compliant MSD handling dry cabinet

XDry Competitively Priced Dry Cabinets

This dry cabinet is configured with 6 doors, each set closing onto an easily removable bar. The 1100 series can be equipped with 1, 2 or 3 dryers to suit any desiccating or dry storage specification, easily satisfying IPC/JEDEC 033 and 020 MSD Handling requirements. The 1106 is equipped standard with industrial castors for easy relocation wherever dry storage is required. Increasing capacity is as easy as adding optional shelves.
